EXAM CRAM TRAINING

Indigo Water Group is hosting a series of exam cram training seminars. Each seminar takes place shortly before the certification exam dates. While we can't teach the test, we can give attendees solid background information in a variety of test topic areas. We've also included math in all three days of training since math problems can make up a significant portion of the test.

Training Units for the full 3 day course are **APPROVED** by the State of Colorado: **2.20 Wastewater and Industrial TUs** and 1.5 TUs in water, 0.95 TU in collection, and 1.10 TU distribution. **Classes limited to 25 attendees each.**
